

**NOTICE OF PUBLIC WORKSHOP  
TOWNSHIP OF MUNDY, MICHIGAN  
PLANNING COMMISSION**

Notice is hereby given that a public workshop will be held at the regular scheduled meeting of the Mundy Township Planning Commission, on Tuesday, July 24, 2012 which begins at 7:00 p.m., at the Township Hall, 3478 Mundy Ave., Swartz Creek, MI 48473, for the purpose of hearing all persons interested in learning about and commenting on the Mundy Township Hill Road Corridor Improvement Authority plan. This session will follow the regular business of the Planning Commission.

This is an informational workshop only. Members of the public are encouraged to come out and share their thoughts and concerns in regards to the current and future conditions along the Hill Road Corridor in the township. The area tentatively within the authority's boundaries is the section of Hill Road beginning approximately ½ mile west of Torrey Road to Fenton Road. This workshop will be followed by a public hearing of the Planning Commission and Township Board in the coming months, and all recommendations are subject to the official adoption by the Mundy Township Board.

Please contact Marty Johnson at the Township Offices if you have any questions, comments regarding proposed changes, the planning process, or if you have any comments for the Planning Commission. Written comments may be submitted to the Township Clerk prior to or at the public hearing.

Tonya Ketzler, Clerk

Mundy Township, through the Mundy Township Clerk's Office, upon proper and timely notice, will provide necessary, reasonable auxiliary aids and service to individuals with disabilities at any meeting or public hearing.
